Sir:

Applicants submit herewith a true and accurate copy of a Request for Reconsideration, a Petition for One Month Extension of Time, a Notice of Appeal, a Credit Card Payment Form in the amount of \$110.00 for payment of the fee for the Petition for One Month Extension of Time, a Credit Card Payment Form in the amount of \$320.00 for payment of the fee for the Notice of Appeal, and three articles described in the Request for Reconsideration, and a copy of the return postcard filed with the above-identified documents in the U.S. Patent Office on November 8, 2001.

The documents identified above all were filed in the United States Patent Office via regular mail on November 8, 2001. A copy of the Certificate of Mailing establishing that the above-identified documents were deposited with the United States Postal Service with sufficient postage and addressed to Assistant Commissioner for Patents, Washington, D.C. 20231 on November 8, 2001 is also enclosed.

Applicants have not yet received the return postcard indicating that the Patent Office received the above-identified documents. Further, Applicants have inquired with the group receptionist for Group Art Unit 2164 and have been informed that there is no record of receipt of the above-identified documents filed on November 8, 2001. Applicants believe that due to recent problems with the U.S. Postal Service and the U.S. Patent Office mail services resulting from security concerns over Anthrax threats, the above-identified documents have not yet been sent to Group Art Unit 2164 and have not yet been entered into the above-identified

application file in the U.S. Patent Office.

Accordingly, Applicants are submitting a copy of the above-identified documents that were filed on November 8, 2001. Applicants' undersigned representative hereby declares that the enclosed documents are true, accurate and complete copies of the documents filed with the U.S. Patent Office on November 8, 2001.

Applicants respectfully request that the enclosed documents be entered and considered by the Examiner as soon as possible.

To the extent necessary, and in accordance with 37 C.F.R. § 1.136(a), Applicants hereby petition for a three-month extension of time to respond to the outstanding Office Action dated July 16, 2001, or until January 16, 2002. If necessary, the Commissioner of Patents is authorized to charge the fee for the three-month extension of time, and any amount due, or credit any overpayment, to Deposit Account No. **50-1353**.

Dated: January 16, 2002

Respectfully submitted,
